

BATHURST PIONEERS

A Register of Pioneer Families of Bathurst NSW and District before 1900.

Released: May 2007

Bathurst Pioneers is a register of more than 5,000 people from all walks of life who laid the foundations of Bathurst NSW, the oldest inland settlement in Australia. Brief details show where and when the pioneers were born, married, immigrated, lived, worked, died and events that shaped their lives.

Colour maps show many local places mentioned in the text and an index, which includes the spouses, children and parents of the pioneers is included.

The Family History Group of Bathurst Inc. compiled the register over the last decade using information contributed by people from all over Australia and overseas and from locally available resources. Bathurst Pioneers will be an invaluable resource for family historians and anyone with an interest in the early residents of the Bathurst district.

The publication is available in both print and CD-ROM formats. Both are fully indexed and the CD provides direct links between related people. Only a small number of books, are available. Order now to avoid disappointment.
